

<patrol> IOLS Training - VonOven - April 28-29 – Patrol – T- 7 Days!

Your IOLS training is right around the corner.

When: Friday April 28 – Saturday April 29
Arrive 5:00-6:00pm, set up tent/patrol items
Program start at 7:00pm

What do I need to bring:

- I'm attaching generic versions of past troop communications including the gear list. Please make sure you understand it all. Also attached is the schedule of events over the 25 hour period. Notice patrol names on top of each schedule. I will have hardcopies for each patrol leader.
- You **MUST bring a medical form A-B only**
- Bring your SM/ASM Specific completion card and we will give you a TRAINED strip with your IOLS Completion card. If you can't find your card before the event, you can get a TRAINED strip from your unit training chair.

Where: VonOven Scout Reserve
701 S West St, Naperville, IL 60540: (41.765583, -88.158749)
(additional parking to the south of the gate)

Why: Because you're awesome and you want to continue to lead Boy Scouts!

How can you help?

We have 53 scouters signed up for this training (it continues to rise).

- **Parking and Tenting space will be tight.**
- Carpool with a friend if you can
- Can you share a tent with someone? There's too many people to maintain strict patrol tenting so tenting with a member of another patrol is fine. Please try to use 2-4 person tents.
- **Be Prepared!**
 - Watch the weather! Be prepared for wet/cold!
 - Food Issues: I've addressed a few concerns with food allergies/religious restrictions. I really hope everyone has reviewed the meal plan.
 - Nobody has approached me about power for CPAP machines. Special tenting locations will not be reserved.
 - There will not be outlets for 50 cell phone chargers, so bring a charger brick or better yet, turn the phone off.

Still looking for a bugler! Anyone?!?
YIS

Rich Fazio (SPL)

Paul Solak (ASPL)

Deb Brown (SM-IOLS Mentor)

Current Patrol Roster: (We've had some drop and add over the last few weeks)
